Holiday Videography

You will have your own personal camera person following your every step for as many days as you wish. When you come back home, within couple of weeks a ready documentary will be shared with you, so you can share it with your friends, family and perhaps with the rest of the world

Included:

5 hours of continuous recording per day
15 minutes long edited footage per day in an mp4 format
Most interested raw footage in an mp4 format

Not included:

Travel costs
Accommodation

Price per day:

€500
